9-11 TRUTH PROCLAMATION

Whereas the President's "9-11 Commission Report," according to pg. 7, "The Report of the Citizens Commission on 9/11:— 9/11 Commission Omits Known Facts to Rubber Stamp Bush Administration's Original 9/11 Story" by David Ray Griffin states: "The (president's) Commission restricted itself to information that can be used to support the official conspiracy theory that the attacks were planned and carried out solely by al Qaeda;" and

Whereas the chairman of the president's Commission, Thomas Kean, refused to review and utilize the evidence contained in "The Report of the Citizens Commission on 9/11;" and

Whereas the 9-11 commission interviewed William Rodriguez , WTC janitor, who stated, in secret testimony, that he and 14 other people were in a WTC 1 basement office when, without warning, "the group felt a tremendous explosion emanating from somewhere below them in one of the five WTC sub levels and felt the floors tremble and saw the walls crack just seconds before the group heard another distant explosion coming from high above;" and

Whereas seismographic evidence, 21 miles north of ground zero, and the Federal Aviation Administration's (FAA) stated time when the planes struck the twin towers (see table below) prove that basement explosions occurred 14 and 17 seconds respectively for WTC 1 and 2 before the planes struck the towers; and

Whereas the Twin Towers and WTC 7, which was not struck by an airplane, all fell down in the same time as a freely falling object; and

Whereas the "smoking gun" indisputable evidence that U.S. military controlled nano-thermite explosives were used and were found in the red/gray layered chips in the dust when the Twin Towers and WTC 7 collapsed 9/11/01 see May 2009 Rock Creek Free Press headline: "Scientists Find Explosives in World Trade Center Dust" by editor Matt Sullivan — <http://bit.ly/aCO0Cd> — and

Whereas "The Report of the Citizens Commission on 9-11," — <http://bit.ly/dtQ4TB> — Sixth Printing 2009, (pgs. 3, 7, 10 and 17) includes the above governmental and scientific evidence that proves the Twin Towers and WTC 7 collapsed in the same manner as a pre-planned controlled demolition; and

Whereas these facts were omitted from the "9/11 Commission Report;"

Now, Therefore Be it Resolved, that "The Report of the Citizen's Commission on 9-11" — <http://bit.ly/dtQ4TB> — be utilized to determine the true cause of the collapse of the Twin Towers and WTC 7.
